FABULOUS FIREWORKS

A hearty thank you to the wonderful Graham Brown and his wife Pennie, for their amazing fireworks display, which despite the drizzle still brought in a good crowd! And was it just me or were those fireworks even more amazingly gorgeous this year than ever before? Seemed like the whole sky was alight with beautiful sparkling creations. Thank you again Graham for putting on such a spectacular show. Anton Dell & Priya Mahtani for the PTFA and College

THOUGHT FOR THE WEEK:

There is no use trying, said Alice; one can't believe impossible things. I dare say you haven't had much practice, said the Queen. When I was your age, I always did it for half an hour a day. Why, sometimes I've believed as many as six impossible things before breakfast.
